

Dear Alumni,

The Father Muller Medical College Alumni Association proudly presents **The Best Alumni Award** to an outstanding Father Muller Charitable Institutions (Medical and Allied Health Sciences) alumni who has distinguished themselves in their professional career while serving as a leader and role model to their community.

The Alumni Awards serve several purposes:

1. To honour alumni who exemplify fulfilment of the Institution's Mission
2. To Inspire students and alumni through notable alumni achievement and volunteer service that brings honour to self and the College
3. To engage or re-engage alumni through the Alumni Awards process
4. To exhibit and publicize the success of the College program as reflected in its alumni

Each candidate will be carefully assessed by our esteemed panel to determine the degree to which the nominee fulfils each of the requirements according to the criteria established. Announcements will be made on the 23rd of March, 2023. Nominations are kept confidential and candidates become aware of their nomination upon award selection. The **criteria** are as follows:

1. Recipient must have a suitable amount of contribution towards his/her Alma-mater.
2. Recipient should also demonstrate their services extended for the welfare of the society.
3. Recipient should also portray unique achievements in their respective field that have brought distinction to themselves & to the Institutions.

This award recognises and demonstrates the valuable contributions that the Alumni of Father Muller Charitable Institutions make to their profession and the community.

Please provide us with as much information as possible in support of this nomination. Make sure to include pertinent facts, dates, awards, documents, certificates of your achievements to the below mentioned email addresses. While not a requirement, formal 'Letters of Support' and other materials such as resume/CV and Advanced Education/Degrees, Publications, Honours as evidence of life-long learning, professional accomplishment, or service to substantiate the candidate's background and accomplishments can strengthen nominations for the Best Alumni Award and enhance the robust vetting process that occurs with each nomination.

Invitation to Campus: The chosen candidate will be invited to come to campus to receive the award.
